

24TH CONFERENCE OF THE EUROPEAN SOCIETY FOR COGNITIVE PSYCHOLOGY

**EXHIBITION & SPONSORSHIP
OPPORTUNITIES**

**Sheffield, UK
Monday 1st – Saturday 5th
September 2025**

ESCOP SCIENTIFIC MEETING SHEFFIELD 2025

24th Conference of the European Society for Cognitive Psychology (ESCOP)

ESCOP is a large international society of psychologists with over 800 members from all over Europe. The society organises one large conference every second year attracting over 1000 researchers from different career levels (students, PhD, Post-docs, and Professors) and a broad range of countries from Europe and beyond.

In 2025, the 24th edition of ESCOP will be held in Sheffield in the UK. The six day programme brings together researchers to discuss new findings, challenges and opportunities in science, as well as learn about new research advancements (new techniques, equipment) and science communication opportunities (journals, publishing models). Scientific meetings offer an excellent opportunity to foster the development of science and to advertise new products.

Below we propose a range of sponsorship opportunities for those who wish to promote their company and products at ESCOP, where hundreds of outstanding researchers will pay attention to your brand. You can select as many products as you wish to attend your company's needs.

ESCOP SCIENTIFIC MEETING SHEFFIELD 2025

MEET THE LOCAL ORGANISING TEAM

Dr Vanessa Loaiza

Assistant Professor,
Department of
Psychology at Colorado
State University

Vanessa's research
concerns memory and
cognition across the adult
lifespan (previously at the
University of Sheffield)

Prof. Claudia von Bastian

Professor of Cognitive
Psychology, School of
Psychology at the
University of Sheffield

Claudia investigates
individual differences in
cognitive abilities and how
they can change through
experience.

The local organising team are experienced psychologists who are passionate about sharing expertise and advancing rigorous scientific research. The event promises to deliver the very best research in cognitive psychology, covering topics such as memory, language, reasoning, and neuroscience with relevance to education, ageing, data science, and health. ESCOP will bring world-leading experts together to share their knowledge, whilst also showcasing the best that Sheffield has to offer.

We are delighted to invite you to support the event through sponsorship, and hope your support will prove to be beneficial to you by providing exposure to top level cognitive psychology experts as well as recent and prospective university graduates.

WHY SPONSOR #ESCOP2025

Sponsoring this event gives you the opportunity to meet and network with experts in cognitive psychology. By attending, you can showcase your product and services as well as using the time to make new contacts and build your network.

Features and Benefits

- Select from three sponsorship packages and a range of other products to meet your needs and budget.
- Showcase your product to a key group of influencers.
- Attend social events and network informally.
- Your logo and website link will be added to the event website and conference app so that delegates can connect with you ahead of the event.
- Thanks to Sheffield's location and easy access, the event will have delegates from all over the UK as well as international visitors from Europe and beyond.
- 6 days of scientific programme with parallel sessions, workshops, keynote talks and social events.
- Access to QR codes on delegate badges to assist with creating a database of contacts at the event.
- A chance to meet with ESCOP Board members.
- News articles on the ESCOP meetings website to highlight your products and services

1000+ DELEGATES
EXPECTED

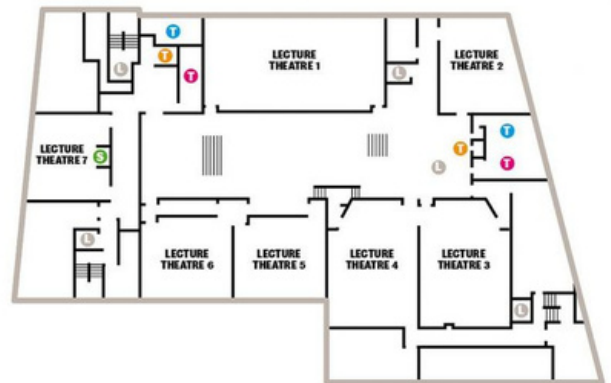

THE VENUE

The main conference and trade exhibition for ESCOP 2025 will be held in the Diamond Building at the University of Sheffield. This facility was built by the University in 2015, and has state-of-the-art auditorium in a range of sizes for keynote and plenary sessions (1x theatre with 400 capacity, 2x theatres with 240 capacity and 4x theatres with 160 capacity).

All lecture theatres are on the same floor, and open out into a large space where we will hold the trade exhibition and catering in conjunction with the conference. Tea and coffee service will be available in this exhibition space to maximise the amount of time participants spend in this area.

Access

The Diamond is in the centre of Sheffield, just a 15 minute walk from Sheffield train station and 5 minutes from most hotels.

There is a train service to Sheffield from Manchester Airport, with a journey time of just over 1 hour. There are direct flights to Manchester from most European cities, and from numerous destinations in North America, Asia and Africa. There is an hourly train service from London (St Pancras), taking around 2h 10m. There is also close proximity to the UK motorway network (M1, M18).
